

DenteMax has made every effort to insure the accuracy of this directory, but because the network is continuously expanding, providers moving or retiring, etc. we suggest you call us for updates or contact our Web site at www.dentemax.com. The choice of dentists is yours. Providers in our directory invite you to discuss your dental needs with them so that you receive the full benefits allowed under the plan.

Some of the more frequently asked questions about **DenteMax**

Q. Is DenteMax my Insurance Company?

No, DenteMax is not an insurance company. DenteMax is a Preferred Provider Network of independent dentists who have accepted a set fee schedule when receiving payment for dental services. When you choose a DenteMax dentist, you can save on out-of-pocket expenses.

Q. Do I call DenteMax to find out what dental services are covered?

Since DenteMax is solely a dental network, we cannot determine benefit levels or what services are covered. You must call your Plan Administrator at the number on your ID card to find out that information.

Q. Do I have to remain with the same dentist after I choose one?

No, you may choose any dentist at any time. But remember, if you choose a DenteMax provider, your out-of-pocket expense may be significantly less.

Q. How do I make my first appointment?

You should know your benefit level first. Contact your Plan Administrator to get this information, then call the DenteMax dentist of your choice. Let the dentist office know that you are a DENTEMAX member and that you have our plan along with your insurance plan; then schedule your appointment. You may need to show your ID card at your first appointment.

Q. If my dentist is not participating with DenteMax, how can I get him/her to join?

Contact your dentist and advise him/her that you now have DenteMax. Ask if he/she would be willing to join. If they are willing and would like to review our information, simply have your dentist or yourself call us at 1-800-752-1547 or contact our Web site at www.dentemax.com. We will be glad to send the dental office information on our program.
